What makes COGNISIVE Special?

At COGNISIVE, we believe that there is a winner in every student and it just needs to be identified. We strive endlessly to discover this hidden potential of every student and work with heart and soul to enable every student to achieve his/her goal. We make a concerted effort to make a difference to every single student.

At COGNISIVE, we prepare students with subject knowledge as well as with the skill to use it in competitive examinations. To be successful these components are equally critical and essential. The academics programmes in COGNISIVE are rigorous in which we develop problem analyzing and solving skills in students which makes most arduous problems easy to solve. We create a space to students to explore their subject knowledge to greater depths.

Our faculties stay updated in this ever changing competitive environment and create innovative learning, teaching and testing.

Finally, we help students to objectively evaluate their test results and thus, mirror their preparation level for them to introspect.

Moreover, COGNISIVE governs a discipline immaculate system throughout, not only for the students but also for faculty and administrative staff. Each one at COGNISIVE is equally important and makes his/her own contribution, to the strong and time tested system of COGNISIVE.

Once student join COGNISIVE, they can be rest assured that they have a secured and hurdle free path to success.

You are going through very important phase of your life. The choice that you make and the efforts that you put in, will determine your success in your career and personal life. At this stage, what you should look for in an institute.

1. An institute that has a good reputation and name with the best and stable faculty.

2. Faculty who are dedicated, hardworking and passionate towards your success and who can be role models for you.

3. An institute that gives you personalized attention so that you may not remain just a face in the crowd.

4. An environment which encourages you all-round development besides focusing only on academic excellence.

5. An institute which provides you indiscriminate teaching, irrespective to performance, potential & efficiency.

In the ensuing pages, you will see that you can find all these only in professional & ethical institute like COGNISIVE because we care for you and treat you like our own.
DIRECTOR'S MESSAGE

Every child is like a seed which has the potential to grow if it is nourished with love and care under the right guidance. In the current challenging times it is essential that children should not only excel in academics but should also develop courtesy, discipline, smart personality, social sensitivity and be imbibed with the traditional values and culture of our country. Childhood is the best time to lay the foundation of the core values essential for the overall development of the future citizen of tomorrow.

COGNISIVE is a friendly INSTITUTE where each and every student is understood, valued and attended. Equal attention is given to the development of the children both academically and in extracurricular activities like Quiz, Debate, Participation in Olympiads, etc.

We offer our students a stress free learning environment which encourages creativity and critical thinking.

At COGNISIVE we are dedicated to exhaustive quality learning and are utterly committed to a continuous process of improvement for the benefit of the students. We are always open to refreshing views and suggestions which can add more value to the students of our INSTITUTE.

SUNIL SINGH
DIRECTOR

VISION & MISSION

1. To provide quality education among students by using Innovative Teaching Methodology.
2. Develop the study material with latest knowledge applicable.
3. Examine the students without fear & tear.
4. Creating a 'Stress Free Environment'.
5. Focusing on overall development of the child.
6. Every student of COGNISIVE-becomes a success story
Know our Faculty

SUNIL SINGH
(Phantom of Physics)

Er. SUNIL SINGH has done his B.Tech from RTU, KOTA. After that he was with reputed organizations like Allen of KOTA for preparing JEE aspirants for fulfilling their IIT dreams. He is having a rich 10 years' experience of teaching. He loves to teach physics to student who wants to seek admission in IITs, NITs and also medical colleges. He loves to teach physics in “a fun way” by giving real life examples and relating each topic to real world examples. He has helped many students to boost their performance in school and board exams also.

Sunil Sir, engages every student in the class completely and also gives his students some easy tips and tricks to solve question very easily and quickly. He believes in smart-work for exam preparation.

Students say, SUNIL sir is not only a teacher he is a mentor who guides us to fulfil our engineering exams and medical exams dreams.

His Belief “Hardwork beats talent when talent fails to do hardwork”

VEER THAKUR
(Chemistry Expert)

VEER THAKUR, the Chemistry expert is a chemistry POST- graduate AND MASTER OF PHILOSOPHY IN CHEMISTRY (M.Phil) with an experience of more than 8 years.

He has been into teaching of chemistry for past 6 years. He is passionate about chemistry from the very starting and spends most of his time reading chemistry today also. He has a different approach for the concepts of chemistry, which makes them simple and easy to understand.. In association with COGNISIVE, he is making chemistry an easy and interesting subject for the students and spreading his teaching methodology across the STATE.

ANEETA SHARMA
(ENGLISH EXPERT)

A POST GRADUATE IN ENGLISH AND DOUBLE DEGREE GRADUATE FROM UNIVERSITY OF JAMMU. An accommodating and versatile individual with the talent to develop inspiring hands-on lessons that will capture a child's imagination and breed success.
ASHISH KUMAR  
(Maths Magician)  
Ashish Kumar, Post Graduate In Mathematics From University of Jammu. Also qualified Net (National Eligibility Test) Two Times Gate Qualified with all India Rank 244,SET Qualified, Pursuing Doctor of Philosophy (Ph.D) In Mathematics From IIT Ropar. 

He is Having a Rich 7 Years' Experience of Teaching.

Ashish’s Special Solving Skills And Tricks Helps Lots of Students to excel not only in academics but also in their competitives. His main teaching methodology is designed with quick numeric solving ability.

Students say, Ashish Sir’s rich expertise help us to solve quick math's during exams focusing the time management process.

GARIMA KOUSHAL  
(The Passionate Biologist)  

GARIMA KOUSHAL is a Post Graduate IN ZOOLOGY from PANJAB UNIVERSITY, CHANDIGARH with over 8 years’ experience of teaching. She has also done bachelor of education (B.Ed). GARIMA has developed a teaching methodology which has proved that LEARNING SCIENCE IS SO EASY. She has been a great teacher not only for the intelligent students but also for the students who were below than average in Science.

GARIMA’S passion towards biology can simply be understood by her WAYS OF TEACHING. Her lectures are so lively and practical that the students enter into a real world of Biology during her sessions.

GARIMA is the favorite Biology faculty of the students.

ANKIT SHARMA  
(GENERAL STUDIES GURU)  

A double-degree graduate (Bachelor of SCIENCE and Education) AND DOUBLE DEGREE POST-GRADUATE (Psychology, Zoology) with 5 years of teaching experience.

Dedicated, resourceful and goal-driven professional educator with a solid commitment to the social and academic growth and development of every student. A self-starter with high energy enabling maximum and efficient work under pressure.

SUPREET KOUR  
(MATHS MENTOR)  
(Maths Mentor) Post graduated in Mathematics from University of Jammu. She is teaching for the last 4 years. She is one of our finest in house faculties. Her methodology of teaching not only preferred by students but also their parents are confident about her teaching skills. She generally says: Math’s is a core subject which helps the student groom their aptitude skills from childhood. So a strong math’s basics are highly required to crack any competitive exams in future.
ACADEMICS

For the Classes 9th & 10th
The program covers the school curriculum of the following subjects:

- Mathematics
- Sciences (Physics, chemistry, Biology)
- Social Studies
- English

The course will commence in April and will continue till the student appears for his/her final examinations at school for the academic year.

For the Classes 11th & 12th
The program covers the school curriculum of the following subjects:

- Physics
- Chemistry
- Mathematics
- Biology
- English

The course will commence in April and will continue till the student appears for his/her final examinations at school for the academic year.

JEE DIVISION
Aim of this division is to prepare students for joint entrance examination for engineering like JEE(Mains+Advanced)

MAINS
Joint Entrance Examination (JEE) MAIN will be conducted by the NTA from 2019 onwards. This Examination was being conducted by the Central Board of Secondary Education (CBSE) till 2018.

JEE Main is applicable for admission to NITs, IIITs and CFTIs participating though Central Seat Allocation Board subject to the condition that the candidate should have secured at least 75% marks in the 12th class examination, or be in the top 20 percentile in the 12th class examination conducted by the respective Boards. For SC/ST candidates the qualifying marks would be 65% in the 12th class examination.

ADVANCED
JEE Advanced is conducted by the seven Zonal Coordinating IITs under the guidance of the Joint Admission Board (JAB). The seven IITs are IIT Kharagpur, IIT Kanpur, IIT Madras, IIT Delhi, IIT Bombay, IIT Guwahati and IIT Roorkee. Admissions to the Bachelor’s, Integrated Master’s and Dual Degree programs (entry at the 10+2 level) in all the 23 IITs is on the basis of JEE Advanced ranks.

PRE-MEDICAL DIVISION
Aim of this division is to prepare students for national level pre-medical entrance examinations like NEET-UG, AIIMS etc.

NEET-UG
The National Eligibility cum Entrance Test, popularly known as NEET UG, will be conducted by National Testing Agency (NTA). NEET, considered to be the country’s largest medical entrance exam, is conducted for admission to medical, dental and AYUSH courses apart from AIIMS MBBS and JIPMER MBBS. After qualifying NEET 2019, candidates will be required to appear for the national and state level counselling processes as the admission to MBBS and BDS courses are taken on the basis of merit (NEET score) and preferences (choices submitted in the counselling) basis.
PRE-NURTURE DIVISION
Aim of this division is to build the strong foundation of the students by providing them quality and innovative teaching methodology to achieve excellent results in various government Olympiads like NTSE, JSO etc. even by the proper implementation of the CCE (continuous and comprehensive evaluation), we aim at improving the school results of our students.

Here, we end by saying that we would try our best to give you the best so that you come out being the best.

Warm Regards,
COGNISIVE

CO-CURRICULAR ACTIVITIES

To keep students Refreshed, motivated. Cognisive Institute Udampur arranged 4 day tour program for students. Dalhousie - Khajiar - Kalatop - Amritsar. Students Enjoyed a lot. #Adventure_is_Life.

Time Table makes your studying way continuously and strong. If you keep going ahead with a scheduled Time Table, you will definitely find yourself on a better stand. #selfie_with_TimeTable_campaign

Arranged a special show of movie MANGAL MISSION for the students of COGNISIVE, in which students got to know the story of the scientists who contributed to India’s first interplanetary expedition, Mars Orbiter Mission (MOM), which the Indian Research Space Organisation launched in 2013. #Motivation

Rangoli competition organised on the eve of Diwali.
